LADY YI'S
TEA HOUSE

茶馆

Lady Yi's Tea House is a tribute to the memories and conversations that Lady Yi had over afternoon tea with her dear grandmother and their shared love for kuih. "Onde Onde with extra Gula Melaka, Otak Otak slightly charred and Kaya with extra coconut and pandan, that's how we liked them," reminisces Yuin Yi who worked closely with Executive Chef Gerald Chong to curate a contemporary Peranakan Afternoon Tea menu rich in Nyonya flavors.

瑜娘茶馆的成立，首先要从瑜娘与婆婆甜蜜的回忆和谈话中说起。她们俩一同享受着下午茶，一同分享着他们彼此对于糕点的热爱。

“有着满满椰糖的椰糖糯米球（onde-onde），微焦的乌达（otak-otak）和超浓郁椰浆与香兰味的伽椰酱（kaya），也因为如此大家都爱上它们，”与酒店行政总厨Gerald Chong一同研发这一系列即有现代感，也富有浓浓娘惹味下午茶菜单的Yuin Yi娓娓道来。

ROLEAF TEA RM19

Everyday English Breakfast

Quintessential mix of black teas. Well balanced, robust in flavor and rich in aroma. Infused with fragrant peach and bergamot orange oil, this blend of Ceylon black tea and smoky lapsang souchong leaves has a citrus or nutty high notes mellowed by a gentle warmth that avoids heavy astringency.

Elegant Earl Grey

A tea blend with a distinctive citrus flavour and aroma derived from the addition of oil extracted from the rind of the bergamot orange, a fragrant citrus fruit. The smoky and fragrant taste of Earl Grey is a unique experience that many people cannot get enough of. Apparently, Captain Picard of Star Trek fame will not drink anything else!

Calming Chamomile

A soothing blend for relaxation that takes away anxious, stressed or depressed feelings. Renowned in folk and traditional medicine for its health, cosmetic and nutritional benefits. Egyptian noblewoman has used chamomile petals in a variety of preparations for their beauty, while the Greek physicians prescribed it for fever and female diseases.

Jasmine Flower Buds

Just Jasmine is a type of scented tea. To make scented ceylon tea, ceylon tea leaves are mixed with flower buds until their fragrance has been absorbed. The tea is then baked gently in an oven. Jasmine teas have a naturally calming and relaxing effect on mind and body.

Bai Mudan

Also known as White Peony, is a popular style of white tea made of young tea leaves and silvery unopened leaf buds. Grown in the Fujian Province of China, this tea has a sophisticated mouthfeel with a slightly stronger body than Silver Needles. A gentle and slow air-dry withering process results in a brilliant amber infusion with a honey-like viscosity and mild flavor that pairs well with food.

Long Jing Green Tea

Long Jing tea is a variety of flat, long and vibrant pan-roasted green tea from Hangzhou, Zhejiang Province, China where it is produced mostly by hand and has been renowned for its high quality, earning the China Famous Tea title. If drank in right proportions, it may even help in weight loss.

Pu Erh Classic

A variety of fermented dark tea produced in Yunnan province. The two main classifications of Pu Erh are green and dark, or oxidized Pu Erh. The 'tuo cha', meaning compressed tea, was developed in early China trade because the teas were bulky and hard to transport. Tea was compressed to compact the leaf reducing the size of the loads for long journeys.

Fruilicious

An exciting blend of fun and opulence with notes of cranberry, blueberry, goji berry, hibiscus, apple and strawberry – a rendezvous of distinct tastes and flavors. Caffeine-free and perfect for morning and afternoon indulgence.

Lady Yi's Signature Blend "11 Treasures"

Reminiscent of the idyllic afternoons Lady Yi spent with her beloved grandmother, this mélange of calming chamomile and rare green rooibos is beautifully blended with delicate lavender flowers and accented with floral notes of rosehips and peach with a hint of spice from warm lemongrass. An alluring elixir to delight and surprise the senses!
